## EDUCATION

### B.Sc in Computer Science & Engineering

Hamdard University Bangladesh

09/2021 - Present

Gazaria, Munshiganj

#### Courses

- Object Oriented Programming
- Web Engineering
- Data Structures & Algorithms
- Structured Programming Language

### H.S.C in Science

Rofiquel Islam School & College

06/2016 - 08/2018

Demra, Dhaka

## WORK EXPERIENCE

### Course Instructor for Python Programming

MERI Programmers

10/2021 - Present

Live Training Center for Python & Machine Learning

### Course Instructor for Data Science & Machine Learning

MERI Programmers

11/2021 - Present

Live Training Center for Python & Machine Learning

## SKILLS

Python Programming Language

Data analysis with Python

HTML/CSS/SASS

Data Science & Machine Learning

Data Visualization with Pandas/Seaborn/Matplotlib

Problem solving for Python/C/Java

## PERSONAL PROJECTS

Machine Learning Project for Malware Prediction.  
(10/2021 - 11/2021)

Machine Learning Project for Maternal Health Risk analysis. (12/2021 - Present)

Machine Learning Project for Rainfall analysis  
(12/2021 - 01/2022)

Machine Learning Project for Heart Disease  
(12/2021 - Present)

Account Holder Project with Python OOP

Machine Learning project for Temperature Prediction  
(09/2021 - 12/2022)

## ORGANIZATIONS

MERI Programmer Live Training Center  
(09/2021 - Present)

Online Platform

## CERTIFICATES

Data Science & Machine Learning Course  
(06/2021 - 08/2021)

## LANGUAGES

Bangla  
Full Professional Proficiency

English  
Full Professional Proficiency

## INTERESTS

Python Problem Solving
